**ORDER GRANTING MOTION FOR EMERGENCY STATUS  
CONFERENCE [Doc. 47]**

Creditor and interested party Michigan Department of Health and Human Services (“Department”), pursuant to the Consent Order entered in this case (Dkt. No. 7) and Fed. R. Civ. P. 66, filed a motion requesting an emergency status conference before the Court at its earliest convenience. The asserted basis for the urgency of the need for

a status conference is the extraordinary financial crises affecting the Defendants' facilities and the Department's reasonable and in good faith belief, through communication with the Receiver, the Receiver's management company, and other state and federal regulatory authorities, of possible and imminent adverse impacts from the financial issues on patient well-being and health.

Under Local Rule 7.1, the Department states that the Receiver and Interested Party MI Rosdev Property, L.P. (or an affiliated entity) do not oppose the relief sought, and the counsel for the Plaintiff is unable to discuss with the Plaintiff at the time of the Department's motion. Therefore, after review of the Department's motion, and any responses thereto,

IT IS HEREBY ORDERED that all parties, interested parties, or other agencies or entities with regulatory authority over the Defendants, shall appear before the Court on **May 24, 2018 at 11:00 AM** for a status conference.
